November 12, 2020

Dear Parents & Guardians,

Late this afternoon, November 12, 2020, we were notified that another Sayles School community member had tested positive for the COVID-19 virus. We have notified parents if their student had contact with the infected individual.

In light of this situation I have decided to shut down student in person learning through November 24th. During this time, all students will take part in remote learning. By state mandate, attendance will be taken for all days of remote learning. If your child has problems accessing remote learning, please call the school for assistance.

We hope to resume in-person classes on Monday, November 30th. I want to thank you for your cooperation during this difficult time. If you have any questions please feel free to contact me at whull@spraguek12.org.

Have a good evening and stay well.

Sincerely,

William Hull
Superintendent of Schools
