January 11, 2021

Dear Parents & Guardians,

After a review of the data regarding current COVID-19 infections, I have decided to return to in-person student learning four days per week for Sayles School students starting today, January 11th, 2021; all students will access learning remotely on Wednesdays. By state mandate, attendance will be taken for all days of learning. If your child has problems accessing remote learning, please call the school for assistance.

We hope to resume five day in-person classes in the near future. I want to thank you for your cooperation during this difficult time. If you have any questions please feel free to contact me at whull@spraguek12.org.

Have a good day and stay well.

Sincerely,

William Hull
Superintendent of Schools
