Dear Sayles School families and Sprague community members:

Yesterday, Governor Lamont issued Executive Order 14. This Executive Order extends nine previous executive mandates, including the mandate for face masks in all Connecticut schools. All students, staff and visitors to Sayles School will continue to be required to wear a face mask.

As of now, the governor's Executive Order will be in place through February 15, 2022. I appreciate your cooperation in this matter. Working together, we can keep our students and community safe.

Sincerely,

William Hull  
Superintendent, Sprague Public Schools
