Lebanon Regional Agricultural Science and Technology Center

917 Exeter Road ~ Lebanon, CT 06249
Phone: 860.642.7567
lebanonagscience.yolasite.com

Graduating Class Size: Approximately 18
School Enrollment: Approximately 71

Mission Statement

“Agriculture isn’t just farming anymore; it’s much more. According to the Merriam-Webster Dictionary, the definition of agriculture is “the science, art, or practice of cultivating the soil, producing crops, and raising livestock”. However, agriculture doesn’t stop there. Our program teaches students about the science and technology behind agriculture. Students can learn about plants, animals, natural resources or mechanics.

The mission of the Agricultural Science program is to provide instruction leading to a career in agriculture upon completion of high school or to prepare students for entrance into a two or four year college.”

Lyman Memorial High School
